CatManDo Inc. To Act As Third Party Administrator for New Florida Homeowners' Insurer

Tampa, FL. September 2009 – [CatManDo, Inc.](http://www.catmandoinc.com) a Tampa, Florida independent insurance adjusting company has been chosen to become the Third Party Administrator (TPA) for [Prepared Insurance Company](#), a new property and casualty insurance carrier that will initially serve the State of Florida. In its role as TPA, CatManDo staff will adjust and process claims, including check disbursement, and working directly with policyholders on behalf of Prepared Insurance Company.

Headquartered in Tampa, Fl., Prepared Insurance is a homeowners' carrier working exclusively with an elite group of independent insurance agents throughout Florida. Prepared's unique business model includes a niche for the underserved older home market with the underwriting focus being building code compliance and loss mitigation, rather than age. "It has been especially rewarding working with CEO/President Doug Raucy and Mike Rubio, Vice President of Claims, who both come from the claims side of the business and have 60+ years of collective experience having worked as executives with Allstate", stated Chuck Ross, President of CatManDo, Inc. Because of their expertise in claims, we expect Prepared Insurance to have a strong customer service component and welcome their involvement in helping us refine the proprietary claims service model that we have built." stated Mr. Ross.

CatManDo offers smaller insurance carriers an advanced claims handling system that compares with those of national carriers. Utilizing technology and a flexible claims platform, carriers are offered a comprehensive set of features that are capable of handling and improving the entire claims operation allowing the carrier to build a system that meets their business model.

CatManDo is currently under contract with four other Florida insurance carriers.

[CatManDo Inc.](#) is a full service independent insurance adjusting company, providing accurate, cost-effective and reliable property insurance claims adjusting and insurance appraisal services to insurance carriers doing business in the State of Florida. The firm was founded in 2000 with the express purpose of providing a higher quality of claims service than is currently available. Known as the "Carriers' Adjusting Company," CatManDo utilizes years of inside insurance carrier experience and maintains a broad network of highly trained and experienced adjusters.
